UNLEASHED WOMEN

THE FACTS

815 million people live in hunger.

60% of people living in hunger are **women**.

One in five births worldwide take place without the assistance of a skilled professional.

Annually more than **300,000 mothers die** giving birth because of inadequate healthcare.

Twice as many girls as boys will never go to school.

One third of the world's girls are married before the age of 18.
