

# THE HUNGER PROJECT AT A GLANCE

- ## OUR THREE PILLARS
- 1 START WITH WOMEN**  
Studies show that when women are supported and empowered, all of society benefits. This is why we focus on building the capacity of women.
  - 2 MOBILISE EVERYONE**  
We build people's knowledge, skills and leadership, so they can take action to improve their own communities.
  - 3 ENGAGE GOVERNMENT**  
We empower people to communicate their needs to local government to ensure they are effective and accountable.
